

Vetting and Tanker Inspection Course

17-18 January, 2012

This two day course will benefit anyone involved in the operation of Tankers. The course has been developed and will be delivered by a Vetting and Tanker Inspection Specialist. During this course you will be encouraged to explore real life scenarios and participate in technical exercises to enhance your learning experience. Some key learning points are:

- Knowing the rules – overview of SOLAS, MARPOL, STCW and ISGOTT
- An introduction to Spot Chartering and Vetting
- The SIRE Programme
- SIRE Inspections – Key Issues
- The Inspection
- Oil Record Book
- The Inspection
- Dealing with Inspection Reports

Sign up for the course

Please contact Pia Hvolby, Nordic Marine Training Services Coordinator, at dk.marinettraining@lr.org.
